465th RC Meeting
July 2025

VOL.2/JULY/2025

Executive Summary

We are delighted to present the second edition of our Newsletter, continuing our mission to deliver clear, and structured updates from the Central Insecticides Board & Registration Committee (CIB&RC). Following the positive response to our inaugural issue, we are grateful for the encouragement, engagement, and trust extended by professionals across the agrochemical industry.

This edition covers key highlights from the 465th RC meeting held on 10th July 2025, including approvals under FI, FIM, TI, TIM, label expansions, shelf-life extensions, and the latest developments in biopesticide.

In this spirit of collaboration, we are excited to open our upcoming issues to industry voices. We warmly invite researchers, business leaders, regulatory professionals, and domain experts to share their perspectives, research findings, case studies, or regulatory insights. Selected contributions will be featured in our forthcoming newsletters, giving your voice a platform to reach a targeted, influential readership within the agrochemical regulatory ecosystem.

Congratulations SHIWANI

"I'm excited to begin this new academic journey and grateful for all the support from my team at JDR Insecticides Consulting."

-Shiwani Sorout (Sr. Research Analyst)

We're proud to announce that our colleague, Ms. Shiwani Sorout, has taken a bold step toward academic excellence by enrolling in a PhD program at Florida International University (FIU), Miami.

Her dedication to learning and growth inspires us all. As she embarks on this new journey, we wish her strength, success, and endless discovery.

Congratulations, Shiwani! Keep soaring high — we're cheering for you all the way from here.

"We're proud to see our team members reach for the stars. Wishing Shiwani every success at FIU Miami!"

-JP Sharma (Director)
